- [Sponsorship] Writersperhour Bronze Global Sponsorship agreement has been signed today.
- [Sponsorship] I've standardized the Global Bronze Sponsorship Agreement and transformed it into a web form in EchoSign, so that we minimize the administrative work on our side, when a new sponsor would like to sign it.
- [Google Partnership] The Partnership and Sponsorship agreement with Google has been
signed by both parties. We’re still completing the administrative tasks related to it. It will bring OSM a good amount of funds and, more important, the opportunity to work closely with Google to improve the CMS and the operations of the Community.

- **[Volunteers Privacy]** There has been a discussion throughout several channels in Glip about the bylaws and Law requirements for OSM to keep the records of Volunteers and Members. Bylaws Section 4.04 and New York State Consolidated Law for Not for Profit Corporation, Section 621(a) mandate OSM to keep the record of all the members, given that OSM has been incorporated as a membership corporation in New York. For reference: https://www.nysenate.gov/legislation/laws/NPC/621 and https://joom.la/osmbylaws

- **[Reporting]** Only Treasurer and Operations DC quarterly reports are missing.
