Nicola proposed to engage the Advisory Board on the following matters:

- Research and inform us on how to create financial and organizational arms based in the EU.
- Help us to get more sponsorship.
- Suggest us how to attract new/more contributors.

Secretary

[Bylaws Amendments] The proposal to shrink the leadership structure has been voted and approved by the members of the corporation following the Special Members Meeting held on December 02, 2021. Results available at https://www.adoodle.org/index.php?action=showresults&survey=e8896b96a9820736442e80d8ce7a979&timezone=UTC

[Ombudsman] The Corporation needs to find an Ombudsman. Jennifer Gress drafted an RFP for the research that Luca shared with the Board. Comments and suggestions are welcome. Consider that with the RFP the role becomes a paid one.

[Capital Team] Following the discussion at Capital Team Restart · Discussion #4, apparently the former Legal & Finance Director Soren Beck Jensen volunteered to restart the Capital Team. This is good news and can bring the team back to success.

[DPO] Luca resigned with immediate effect as Data Protection Officer of the Corporation, given that it’s not appropriate that an Officer/Director of the Corporation serves also as internal DPO.

President

Robert attended the Special Members Meeting.

Robert is continuing to work on some potential sponsors.

No news on the trademark legal case.

- Philip urged to take a decision on a sponsorship agreement renewal with modifications. The Board agreed to proceed with the agreement, Luca to prepare the sponsorship contract for review and signature.
